

An Egyptian Born Woman Writes About Muslim Women

This article was written from information given to us by a woman born into a Middle Eastern Muslim family who moved to America where she renounced her Muslim upbringing and embraced the truth of Christianity after seeing a Christian preacher. To keep her identity secret we will call her Jane Doe. Jane exposes the cruelty meted out to many Muslim women living under Islamic rules. They are oppressed, subjugated and have no rights. In the false Muslim 'faith' a Muslim man can marry a baby girl as young as twelve months old. Yes, that is just one year old and the man can have sex with the baby. In the West, that is called paedophilia and is legally and morally wrong but Muslims see no offence doing this. The 'marriage' must be consummated by the time the little girl is nine years old. A dowry is given to the family of this poor tiny, helpless girl-child. The father of this child is just as guilty of the crime because he has effectively sold his infant daughter and his devastated wife would have no say in this cruel transaction. Neither the wife nor her baby has any rights. The baby is the man's sex slave for her entire life. He bought her private parts for his own use, to use her as his toy and for her there is no hope. She cannot escape.

Another disgustingly cruel activity amongst Muslims is the genital mutilation of girls. They like to call it circumcision but it is not. It is nothing less than utterly cruel mutilation of females solely so men can control their women. There is no reason for any female to be circumcised. God created women to enjoy sex within marriage and all women should be able to enjoy marital sex. Mutilating their genitals makes it nearly impossible for those women to enjoy marriage. You Muslim men, you need to remember God created women that way. Who are you to remove what God created? Male circumcision was instigated by God as a covenant with Abraham and it was only for males. Further to that, male circumcision does not interfere with their sex life as adults.

When a woman is abused by her father or husband she cannot leave nor can she obtain a divorce from a violent husband. Husbands can beat their wives at will and there is no law against it. If a woman is raped she can only prove rape has occurred by seeking four male witnesses. The eye witness of a woman is never taken into account. If a married girl or woman is raped by strangers she is taken to her family where the father must return the dowry to the husband. The father has the legal right to execute the young innocent female victim in what they claim is an 'honour killing', to supposedly restore honour to the father. A rape victim is always the guilty one, not the man or men who raped her. A husband is legally entitled to have four wives and can seek to have sex with a 'temporary' wife for an hour if he wants to. The 'temporary' wife could be a prostitute or she could simply be raped. The girl has no choice. Many young girls are sold as prostitutes or forced into prostitution by their own fathers and in rare cases, by their mother. Islamic law controls the private and public life of their females at all ages.

In the Western World, Muslim men are demanding Sharia Law so they can own their wives in Western countries and come under the same cruel oppression as women in Muslim countries. He wants to have full and complete control over her. In the West, women can have her husband charged for abuse and even divorce him, but she cannot under Sharia Law. Forced marriages are illegal in the West but are daily life in Muslim countries. Western women who marry Muslim men are often duped into the marriage by his loving ways before they marry but once they are married she comes in for a great shock when she realises the husband who was so sweet before marriage is terribly cruel after marriage and often she is trapped. Many Western women have had their husbands take their children back to his Muslim country and the wife never sees her children again. If she wants her children she is often forced to travel to his country where she is subjected to their cruel laws, just to be with her children.

The goal of Islam is to impose Sharia Law on the entire world, doing away with the freedom and liberty we in the West enjoy. Westerners gullibly assume all religions encourage respect for the dignity of each individual but Islam teaches all non-Muslims must convert or be killed. Peace and prosperity for their children is not as important to Muslim men as is forcing their wicked ideology onto the unsuspecting West. The West has one rule of law, equally for every person in their countries. Muslims believe there is one rule for Muslims and another for non-Muslims. Their outdated rules applied to the seventh century and should never be imposed on people in our day. Western Christians believe every person should have an individual and personal relationship with God. Muslims execute people who ask difficult questions that are interpreted as criticism of their (false) prophet. It is hard to believe but in this modern day and age, people really are beheaded for not believing in a false prophet!

Islamic beliefs dating back 1,500 years, say it is all right to lie to a non-Muslim to gain the upper hand and the modern West fall for Islamic lies over and over again. They seriously underestimate the wickedness of Islam because it comes under the banner of 'religion'. Muslims lie when they say Islam is reforming or when they say they are teaching moderation to young people. While they are lying to the gullible West, they are slowly increasing their numbers in the West until entire areas are under Islamic law and once they are there,

no Western government can remove them. They use violence and intimidation to silence their critics. Westerners are tolerant of other religions and especially Islam because of the need for oil and Middle Eastern Muslims love all their petro dollars they are sucking from the West. Muslims are building mosques all over the Western world but no other religion is allowed to build religious buildings in any Muslim country because of their utter intolerance of non-Muslims. Do not believe Islam is a peaceful religion – it is not. A few individual Muslims may pretend to be peaceful but if they were to choose, they would kill for their religion.

What concerns Jane Doe more than anything is the way people are giving up on Christianity and leaving churches. Those churches are being turned into mosques! Islam is filling the religious void of many people who are disillusioned with Christianity. Worse than that, Western governments are getting rid of Christianity from all public sites and erasing the true Creator God from the lives of their children. Tragically, some Christians verbally attack Israel, opening the way for Muslims to 'hate' Israel with the backing of the West. In the West, Christians are often vilified or lose their jobs for speaking the truth from the Bible so they are silenced by the wickedness of unbelievers, and it is the Muslims who are stepping up and pushing their own agenda. If the West would stand firm against Islam, the Muslims would not have such a strong foothold. Muslims are giving birth to many children so they can take over the world by sheer numbers because the West is so complacent.

Muhammad was a false prophet. He was not sent from God the Creator. He saw false visions. Because Muslims follow the teachings of the antichrist and they do not acknowledge Jesus the Messiah as the Son of God, they will all go to a lost eternity with the devil. God's holy hand will be against Muhammad and all who believe in him. God said, "My hand will be against the prophets who see false visions and who divine lies" (Ezekiel 13:9). 'The false prophets have ... seen false visions and divining lies to the people saying God has said this, when God has not spoken thus' (Ezekiel 22:28). Jesus said, "Beware of false prophets who come to you in sheep's clothing but inwardly are ravening wolves" (Matthew 7:15). "Many false prophets will arise and will lead many astray ... There will arise false messiahs and false prophets, and they will show great signs and wonders to lead astray if possible, even the chosen ones (the Christians)" (Matthew 24:11 & 24). 'False prophets have arisen among people. False teachers will be among you who will secretly bring in destructive heresies, denying the Master (Jesus) Who bought them (with His blood) bringing on themselves complete destruction' (2 Peter 2:1). 'Beloved, do not believe every spirit but test the spirits to see whether they are of God, because many false prophets have gone out into the world. By this you will know the Spirit of God; every spirit who confesses Jesus the Messiah has come in the flesh is of God and every spirit who does not confess or denies that Jesus the Messiah has come in the flesh is not of God, and this is the spirit of the antichrist of whom you have heard that it comes, but it is in the world already' (1 John 4:1 to 3).

God has recorded in His Book of Life the name of every person who has accepted Jesus and walks with Him in holy living. If a person does not believe in Jesus, their name is not written in the Book of Life and anyone whose name is not recorded in the Book of Life will go to the terrible Lake of Fire and they will be tormented, day and night forever. This is what will happen to Muhammad the false prophet, his beastly cohorts and the devil himself, along with all Muslims, who by their devil worship have the mark of the devil on them. 'The beast was taken and with him the false prophet who worked the signs in his sight, by which he deceived those who had received the mark of the beast and those who worshiped his image. These two were thrown alive into the Lake of Fire that burns with sulphur ... The devil who deceived them was also thrown into the lake of fire and sulphur where the beast and the false prophet are also. They will be tormented day and night forever and ever ... If anyone's name was not found written in the Book of Life, they were cast into the Lake of Fire' (Revelation 19:20; 20:10 & 15).

How can Muslims save their souls from the terrible Lake of Fire? It is simple. Turn to God, accept Jesus as the Son of God and the Saviour of all people, repent of all of your sins, stop bowing down and worshiping the devil, get baptised if possible by full immersion in water and from then onwards, pray to God the Father daily. Read the Bible daily. Praise God daily. God loves Muslims but He hates their sin. If Muslims turn from their wicked ways and learn to love Jesus, God will love you even more. 'Jesus said, "If someone loves Me, they will obey My word and My Father will love them and We will come to them and make Our home with them"' (John 14:23).
