

Palestinians Do Not Want Peace With Israel

'Remember Lord, what has come on us. Look and see our reproach. Our inheritance is turned to strangers, our houses to aliens (Palestinians). We are orphans and fatherless. Our mothers are as widows ... Our pursuers are on our necks. We are weary, and have no rest' (Lamentations 5:1 to 5).

The Palestinians, who are actually Arabs, are a made up race of people with no actual roots in Israel. They claim they have been there for generations but they have not. If anyone genuinely wants to seek the truth of their history and does not listen to their lies and propaganda, you would be surprised at the falsehoods being fed to this gullible world from the Muslim leaders. They should all go and live in other Muslim countries and leave Israel to God's chosen people, the Israeli's. Israel is God's Land and Israeli's are and always were God's chosen nation. 'You (Israelites) are a holy people to the Lord your God. Yahweh your God has chosen you to be a people for His own possession above all peoples who are on the face of the earth' (Deuteronomy 7:6). He chose the Jewish people to bring the world the truth of God, creation, our origins, the knowledge of sin and many other areas of positive information (Acts 7:38). No other nation or peoples were given this blessing (Romans 3:2). We Gentiles thank God for the Jewish people and the incredibly good job they have done to bring us into a knowledge of God. Without them, Gentiles had no hope but now we do have hope by accepting God as our Creator we can live with the blessings given to Abraham, Isaac and Jacob (Ephesians 2:12 to 22). But this article is not about Gentiles, it is about the hatred Arabs have for Israeli's.

Jewish people were scattered around the world after the destruction of their second Temple in 70 AD and the intense persecution by the Roman Empire but God is calling them back to His Land, their homeland, which has been their homeland for over four thousand years. That area called Israel was chosen by God to be the Hebrew homeland before Abraham was born. As an adult, Abraham met up with Melchizedek, the king and priest (leader) of Jerusalem, where they shared the first communion meal. 'Melchizedek king of (Jeru)Salem brought out bread and wine. He was priest of God Most High. Melchizedek blessed Abram and said, "Blessed be Abram of God Most High, possessor of heaven and earth, and blessed be God Most High Who has delivered your enemies into your hand." Abram (later Abraham) gave Melchizedek a tenth of all he had' (Genesis 14:18 to 20). 'Thus says God Who created you Jacob, and He Who formed you Israel, "Do not be afraid for I have redeemed you. I have called you by your name. You are Mine ... I am Yahweh your God, the Holy One of Israel, your Saviour ... You are precious and honoured in My sight, and I have loved you ... Do not be afraid for I am with you. I will bring you from the east and gather you from the west. I will tell the north, 'Give them up' and tell the south, 'Do not hold them back. Bring My sons from far and My daughters from the ends of the earth'" (Isaiah 43:1 to 6). "I will bring My people Israel back from captivity and they will rebuild the ruined cities and inhabit them. They will plant vineyards and drink wine from them. They will also make gardens and eat the fruit of them. I will plant them on their land and they will no more be plucked up out of their land which I have given them," says your God' (Amos 9:14 & 15).

'God said, "Behold, in those days and in that time when I restore the fortunes of Judah and Jerusalem (which is now), I will gather all nations and will bring them down into the valley of Jehoshaphat. I will execute judgment on them there for My people (Jewish people) and for My heritage Israel whom they (Israel's enemies) have scattered among the nations. They (world leaders) have divided My Land ... yes and what are you to Me, Tyre and Sidon (Lebanon) and all the regions of Philistia (Palestinians)? Will you repay Me? I (God) will swiftly and speedily return your repayment on your own head' (Joel 3:1 to 4). Yes, anyone who attacks Jewish people will be punished for eternity. Jesus said, "Truly I tell you, when as you do good to one of the least of these My brothers (Jewish people) you do it for Me." "Truly I tell you, when you do evil to one of the least of these (Jewish people) you do it to Me." "The righteous will go to eternal life but the evil ones will go into eternal punishment ... Depart from Me you cursed, into the eternal fire which was prepared for the devil and his (fallen) angels" (Matthew 25:40, 41, 45 & 46). God said to Abraham and all of his descendants, "I will bless those who bless you and I will curse him who curses you" (Genesis 12:3). The truth is, any person blesses and supports any Israeli or Jewish person anywhere in the world will be blessed by God but also, any person who attacks an Israeli or Jewish person anywhere in the world will be cursed by God, especially those who repeatedly attack them.

The Arabs hate Israel with venom and no matter what Israel does to gain peace with them, they always refuse. The Arabs pretend to the world they want peace but in reality they do not. World leaders often talk about the so-called 'two state solution' to resolve the conflict between Israel and the Arabs, but with the enemy on their doorstep, it can never work. Israel gave them the Gaza Strip in an effort to gain peace and now the world can see the Arabs use their gift of land to constantly attack Israel. If anybody anywhere doubts Islam is not a religion of peace but a false religion started 1,500 years ago by a wicked false prophet, the recent events in Israel should open their eyes to that fact. Wake up world and see Islam for what it is! It is time the world looked at the history of this evil religion. Their false prophet wanted to be like the Jewish people and have one god. Their ancient religion worshipped over 300 gods but their prophet decided to

combine them into one and named their false god allah after their chief god. It began with hatred, violence and bloodshed and continues to this day with hatred, violence and bloodshed. The hatred of Jewish people is written in their false 'holy' book, the Koran, where they write it is their duty to destroy everyone they deem as infidels, like Jewish people and Christians. We must point out here, the Arabs who attack Israel are worthless, snivelling cowards. Just look at the way they cover their faces when they slaughter innocent people. They are not soldiers to be respected, they hide behind defenceless women and children using them as human shields while leaving them open to terrible suffering. They constantly lie about everything and nothing they say can be believed. They are also cold blooded murderers who are all truly the sons of the devil. "You (Arabs) are of your father the devil and you want to do the desires of your father. He was a murderer from the beginning and does not stand in the truth because there is no truth in him. When he speaks a lie he speaks on his own for he is a liar and the father of lies" (John 8:44). The people who attack Israel are the worst men on this earth, fully akin to the wicked Hitler and his evil forces. They are the scum of this earth, wicked in all their ways. They might believe they can get away with their violence towards God's people but when they eventually die, their judgement will be severe. They will never be martyrs, they will only ever be destined for the terrible Lake of Fire described in the Book of Revelation, that burns with sulphur and they will be tormented forever and for all eternity. It is called the Second Death.

World leaders say the two state solution is simple, carve up the Land of Israel, give some to Israel and the rest to the Arabs, including Jerusalem, Gaza plus Judea and Samaria, commonly called the West Bank. These are the terms Jewish Leaders agreed to before Israel declared Independence in May 14 1948. Of course, the Arabs rejected the United Nations Resolution that sparked the rebirth of Israel, like they reject everything. The only thing Arabs would ever be happy with, would be if Israel did not exist at all. They reject Israel's right to exist. On May 15 1948 armies from Egypt, Iran, Jordan, Lebanon and Syria invaded the brand new State of Israel, triggering the War of Independence, which of course, Israel miraculously won with the help of God! God wants Israel to be populated by Israeli's and because it is God's divine Will, nothing and nobody can stop God's Will from being achieved. Seventy-five years on, world leaders are still talking about the two-state solution. They actually believe it will bring peace to the region. It never will. The local Arabs do not want peace with Israel, they want Israel for themselves. There is no sensible leader in 'Palestine' who can negotiate peace. The area called 'West Bank' and Gaza do not have a sensible leader. There are four factions fighting for leadership; the Palestinian Authority, Palestinian Islamic Jihad, the Fatah Party and Hamas. None of whom actually want to have peace with Israel and all of whom continually attack Israel.

The Oslo Accords signed between Israel and the Palestinian Liberation Organisation in the 1990's triggered the Palestinian Authority which was supposed to be a temporary government over the Arabs until the 'two-state' solution came to fruition. The Palestinian Authority rules from Ramallah in Judea and Samaria, dominated by the secular Fatah Party known for its extreme mismanagement and corruption, inciting moderate Arabs to violence against innocent Israeli's by portraying Israel as the villain and the source of their problems. Its President tries to hold onto power as he works with Israel on things like security and other aspects of life. That causes the more radical Arabs to side with other wicked entities like Hamas who take a hard-line against Israel. Hamas is the terror group in control of the Gaza Strip, its evil influence spreading throughout the Biblical heartland of Israel. Hamas violently took control of Gaza, forcing the more moderate Fatah Party out. The Egyptian Muslim Brotherhood inspired Sunni-Muslim Hamas in 1987, but it is backed, funded and armed by Shia-Muslim Iran and Lebanese Hizbullah.

The Hamas charter states they will annihilate Israel. The ultimate goal of Hamas is to raise their flag over every inch of 'Palestine'. Hamas refuses any peace agreements or negotiations with Israel, which they call a 'Contradiction to the principles of the Islamic Resistance Movement and there is no solution to the 'Palestinian problem' except jihad (holy war)'. Those words are very similar to Hitler's evil 'final solution'. Hamas do not want a two-state solution, they want to stop Israel from existing, just as the Bible says the evil ones would do. "Come," they say, "and let us destroy them as a nation so the name of Israel may be remembered no more" (Psalm 83:4). Hamas takes jihad seriously. They plot terror attacks against Israeli soldiers and civilians, both Israeli citizens and tourists in Israel; they constantly send barrages of rockets into Israel; send suicide bombers; teenagers carry knives to stab and kill innocent people; their children are brainwashed and taught all their lives to hate all Jewish people. Over just eleven days they sent over 4,400 rockets into Israel. Clearly, they do not want peace.

The Palestinian Islamic Jihad is the second most powerful terrorist group in Gaza and like Hamas it is funded backed and armed by Iran. It was another offshoot of the Muslim Brotherhood and was founded in 1981. Their goal is to destroy Israel and set up their own Islamist Palestinian State. This group also refuses to negotiate with Israel and uses only terrorist means to get their wicked point across. They will never agree to a two-state solution because their whole aim is to destroy Israel. This group have launched thousands of rockets into Israel with the intention of killing or maiming as many Jewish people as they can. These parties

are all vying for Palestinian leadership yet nobody actually leads. There is no one who can sit down and negotiate any two-state solution. They refuse any sort of peace agreement with Israel because they want to wipe Israel off the map forever.

Sit quietly and consider the plight of the Israeli's who want to live in peace but they have vicious, cruel enemies all around them, wanting to murder, rape, pillage and destroy them, all of the time. This hatred started back when Abraham had eight sons but only Isaac was chosen to be his heir, leaving his seven other sons jealous and resentful. Isaac had two sons but only Jacob was chosen to be the heir leaving Esau fuming and jealous. Abraham's nephew Lot had two sons conceived by incest and they were also rejected. These ten tribes, all related to Abraham were set far away, building up the populations in the Middle East, they rejected our Creator God in favour of the false Islamic god, and their descendants are the ones who hate Israel now. It is a deeply Spiritual generational hatred that most of Israel understands but the Arabs cannot understand because they bow down to worship a false god and are living in spiritual darkness. They want Israel because of their jealousy, believing they are entitled to the land God Himself promised to Abraham, Isaac and Jacob and all of Jacob's descendants. Think about how difficult the lives of the Israeli's are, having to have continual intense security all day and all night, all of the time. Their school children have safety drills in the event an enemy rocket comes near their school, to give the children time to run to a bunker or to safety. Many Israeli homes have safe rooms or bunkers to keep them safe if they are ambushed. Public bunkers are dug everywhere to keep people safe. Imagine living like that all of the time! Meanwhile, they get on with life, inventing various things that benefit humanity, providing food, providing healthcare, helping out during natural disasters around the world and being the blessing God said Abraham's descendants would be. Christians around the world, let us all pull together and support Israel, which is our Spiritual source of all things Godly, and let us all bless Israel as they have blessed us. We owe them our support. 'If the Gentiles have been made partakers of the Jewish Spiritual things, the Gentiles owe it to the Jewish people to serve them in earthly matters' (Romans 15:27).

"I (God) will make of you (Abraham) a great nation. I will bless you and make your name great. You will be a blessing. I will bless those who bless you and I will curse him who curses you. In you will all of the families of the earth be blessed" (Genesis 12:2 & 3). 'Pray for the peace of Jerusalem' (Psalm 122:6). 'Those who trust in the Lord are as Mount Zion, which cannot be moved but remains forever. As the mountains surround Jerusalem so the Lord surrounds His people from this time forth and forevermore. The sceptre of wickedness (Arabs) will not remain over the allotment of the righteous (Israel). The righteous (Israeli's) will not use their hands to do evil but to do good, Lord, to those who are good to those who are upright in their hearts. But as for those (Arabs) who turn aside to their crooked ways, God will lead them away with the workers of iniquity. Peace be on Israel' (Psalm 125:1 to 5).

Amen and God bless you.
